

VESSEL SPECIFICATION SUN ODYSSEY 439 PERFORMANCE:

OWNERS VERSION NEVER CHARTERED

Immaculately maintained by Swiss owners. She crossed the Atlantic and has spent two seasons cruising the Caribbean. After crossing the Panama Canal, they visited the South Pacific and have been in New Zealand since November.

Due to the difficult travel conditions caused by COVID-19 and the family situation in their home country, they will be selling KISU earlier than planned.

She's in a perfect sail-away condition and located in the Bay of Island Marina, Opua. A Jeanneau is first, and foremost, for sailing. Three main concepts shape the Sun Odyssey 439: a fast, seaworthy sailboat, simple to use deck and sail plans and a high-quality interior.

The Performance version of the Sun Odyssey 439 is designed for even more power and speed, fitted with (now new) big tri-radial cut sails from Evolutions Sails, a taller mast, second anchor roller and tack point reinforcement, a feathering propeller and more, allowing you to go faster while enjoying the same comfort offered on the standard version.

Boat Details		Mechanical		Specifications	
Boat Type	Cruising Yacht	Engine Brand	YANMAR	Overall length	13.34m
Build	Jeanneau	Engine Typ	4JH5E	Hull length	12.99m
Model	Sun Odyssey 439	Drive Type	Sail Drive SD60	Beam	4.24m
Year	2013*	Horsepower	54 HP	Draft	2.2m
Hull Type	Monohull	Hours	2050 Hours	Displacement	9640kg
Hull Material	Fiberglass (GRP)	Propeller	FLEXOFOLD 3-Blade Folding	Fuel Tank	200l
Sail area	107 m ²	Fuel Filter	SEPAR Duplex	Water Tank	330l
Cruising speed	7 Knots	Bowthruster	Max Power	Holding Tank	80l
Max. speed	8.5 Knots				

* The hull was built in 2012, but the Rigg, Sails and the navigation equipment are from 2013.

The Price is 220'000 CHF with all the details listed here. Included is a report of yacht survey. KISU can stay tax-free in New Zealand until October 2021.

Other accessories such as handheld radios, snorkeling and diving equipment, Iridium cell phone, kitchen ware, tools and machines on request. A list is available.

Fabric material to all internal seating in good condition. Hull like factory-new because it is wrapped. All Lines, standing rigging and running lines in a very good condition.

New equipment for Bluewater Cruising:

- Tri Radial Dacron Sails (2020)
- Alternator Regulator BALMAR 614 (replaced 2020)
- Two Digital VSR Dual Sense Battery Isolators (replaced 2020)
- 200Ah Alternator BALMAR (replaced 2019)
- FACNOR LS180 Genoa Furling System with halyard swivel C39 (replaced 2018)
- Stainless steel davits (2018)
- ARUBA Dingy and NS-MARINE Outboard 9.8 HP (2018)
- Additional cockpit sun cover (2018)
- VICTRON MultiPlus 230V 3000W/120A Inverter-Charger / Energy management (2017)
- Six Solar panels 600W and VICTRON MPPT 100/50 charge controller (2017)
- 10 AGM Batteries (2017)
- WÄLDNER Stainless steel chain 80m 10mm with 33 kg ROCNA SS Anchor (2017)
- EPIRB and Rescue Radar Transponder (2017)
- RAYMARINE AIS Receiver and Transceiver (2017)
- AQUA TEC Watermaker 60 liter (2017)
- CANDY Washing machine 4kg load (2017)
- Bimini Top (2017)
- SEPAR Duplex fuel filter and water separator (2017)

Maintenance 2020 (and dec. 2019):

- Engine and Sail-Drive maintenance (Sail drive seals, oil, impeller, anodes, filters for oil, fuel and SEPAR)
- Rigg upgrade (Replaced two 10mm strand wire, two reinforcement lower spreaders, two tang reinforcement plates on upper cap shroud attachment and reinforced upper spreaders)
- New Antifouling MICRON 77
- New AIRMAR DST800 Transducer for Depth, Temp and Speed
- New Thermostat and Heating Element for QUICK Nautic water heater
- Replacing rudder bearing
- Two Complete toilet seat / lid and one replacement toilet pump JABSCO
- VHF Marine Transceiver ICOM IC-M330GE
- ENO GASCOGNE - 2 Burner, SS Oven with Grill

Performance version (partly customer-specific)

- Adjustable Dyneema backstay with turnbuckle
- Performance mainsail (details see Sails)
- 140% Genoa (details see Sails)
- Extended travellers for large overlapping genoa
- Two x HARKEN 46 2PD S/T genoa winches, electric
- One x HERKEN 40 2PD S/T coach roof winch, electric
- One x HARKEN 40 2PD S/T coach roof winch, manual
- Various winch handles
- Twin helm with lightweight Carbon Composite steering wheels
- Spinnaker fittings
- Spinnaker pole aluminum
- FLEX-o-FOLD 3-Blade Folding Propeller

Accommodations and Comfort (3 Cabin owner version)

- One level living, no door sills and no steps
- Lots of light, hull ports and long coachroof windows
- Gentle companionway, secure handholds and curved steps
- Shades and flyscreens for hatches and ports
- Forward Owners cabin, with a special mattress designed to improve comfort for a relaxing sleep (thickness: 180 mm)
- Additionally, to the standard locker a large custom-made wardrobe (new 2017)
- Two aft cabins. One cabin with double bed, the other is now used as technology and storage space. The saloon table can be easily converted to a double bed
- Two heads, one with electrical toilet quiet flush. Plexiglas separation in both showers. Soap dispensers
- Saloon with timber table and holding leaf with internal bottle and glass storage
- FUSION Marine Entertainment System - MS-UD650 (operated with Bluetooth or RAYMARINE multifunction display), BOSE speakers in salon and cockpit speakers
- L-Galley with 2 Burner, SS Oven with Grill (new 2020)
- Double sink in stainless steel with hot and cold mixer tap, saltwater rinse tap, soap dispenser
- Cupboard under sink with waste bin behind door
- 185 L fridge compartment with 12v refrigeration
- Electric solenoid on gas bottles, remote operated from galley
- QUICK marine water heater 40 liter includes thermostatic mixing valve kit. Heats from the engine cooling motor water, shore power or batteries (230V 1200W)
- WEBASTO forced air diesel heating system Evo 5500 (5.5kW)
- AQUA TEC Watermaker 12V 60 liter/h
- CANDY Washing machine Aqua 1042D1 (Load 4kg)

Safety Gear

- EPIRB (ACR Global Fix Pro)
- McMURDO S4 Rescue Radar Transponder SART
- Handheld Laser Flare® Magnum RLFAA024-01
- PLASTIMO Transocean liferaft, ISO 9650-1 Valise 6-man (full survey Oct. 2018)
- PLASTIMO Horseshoe Rescue Boy with 40 m floating retrieval line and floating light
- Two inflatable lifejackets AWN-Security II 275N with 3-Point safety line
- Two inflatable lifejackets AWN-Security L 150N with 3-Point safety line
- SEILFECHTER Safety Sling – Set
- Additional handrails for the companionway (2) and on deck (6)
- Two Electric and one manual bilge pump (one auto switchable with float switch)
- Three hand-held fire extinguishers (survey Oct. 2018)
- Radar reflector BLIPPER 210-7

Rigg and Sail

- Main and Genoa from EVOLUTIONS SAILS NZ new 2020, Storm sail (2017, never used)
- Full length battens (5), 3-Reefs- Mainsail Endeavour Dacron Pro Radial 9.1 (51 m²)
- Lazy jack and lazy bag
- Furling Genoa Endeavour Dacron Pro Radial 9.1 (56 m²)
- FACNOR LS180 Furler (new 2018)
- TECHNIQUE VOILE Storm jib Tourmentin 8m² Fluo
- SPARCRAFT Performance mast 17.8m, 4 reinforced spreaders, tang reinforcement plates
- Cutter stay (for jib or storm jib)
- Dyneema backstay with SPARCRAFT adjuster
- Running rigging for asymmetric spinnaker and spinnaker pole
- SPARCRAFT OCEAN vang
- Gybe preventer

Navigation, Electronics and Communication

- RAYMARINE 12.1" Multifunction Display C125
- Two RAYMARINE 4" Multifunction Display i70
- RAYMARINE Radar RD418D 4kW 18" Digital
- RAYMARINE Hydraulic autopilot, p70 control head, Smart Pilot SPX-30,
- RAYMARINE RCU-3 Remote Control Unit for Autopilot
- AIRMAR DST800 Transducer for Depth, Temp and Speed (2020)
- RAYMARINE ST60 Wind Vane Transducer and St70 Wind Transducer Pod
- RAYMARINE AIS650 Receiver and Transceiver
- FURUNO GPS / WAAS GP-32 (Salon)
- RAYMARINE St60 Wind Instrument Display
- PLASTIMO Compass Olympic 135 (2x)
- ICOM VHF Marine Transceiver IC-M330GE with DSC in Cockpit (2020)
- ICOM HF-VHF Transceiver M802, AT140 Antenna Tuner, SSB Whip antenna 23 ft. (Salon)
- SCS P4dragon DR-7400 Pactor 4 modem for E-Mail with the SSB Radio
- LUNA Mini marine PC 2.0 with LUNA LED Monitor 17' and Open CPN navigation software
- LUNA WLANnet, Bulet-Antena on Mast top, WIFI Hotspot TP-LINK TL-MR3420
- Barometer and clock

Electrical Equipment

- 12 V Backlit electrical panel on side of salon, included LCD display with: Voltmeter, Amp-meter, water level gauge, diesel level gauge, low voltage alarm for batteries
- BALMAR Alternator AT12200 200A (replaced 2019)
- HITACHI 80A Alternator as second source, Backup
- BALMAR MC-614-H Regulator with Voltage and battery temperature sensor (replaced 2020)
- BALMAR 15TSS Tach Signal Stabilizer (2019)
- 6 PHAESUN Solarpanel SPR S100 100Wp (2017)
- VICTRON BlueSolar MPPT 100/50 Charge Controller (2017)
- VICTRON Galvanic Isolator Transformer 3600W 230V (2017)
- VICTRON MultiPlus Inverter/Charger 230V 3000W 120A (2017)
- VICTRON Digital Multi Control 200/200A (2017)
- VICTRON Battery Monitor BMV-702 with battery temperature sensor (2017)
- 7x VICTRON AGM House Batteries 110A/h-12V Deep Cycle (2017)
- 1x VICTRON Motor 110A/h-12V Deep Cycle Battery (2017)
- 2x EXIDE Dual AGM Bowthruster Batteries 50A/h-12V (2017)
- Two Digital VSR Dual Sense Battery Isolators (replaced 2020)
- Shore Power, Combined RCD/MCB Devices, electrical conformity WOEf, is valid until 11.2023

Cockpit and Covers

- Cockpit folding table with storage, cup holders, stainless steel handrail, lighting, 12 V & USB plug
- Cockpit seat cushions high density foam 80 mm, back cushions 50 mm in Alcantara (new 2017)
- Line storage lockers under helm seats keep helm station clear
- Teak cockpit floor inlay
- 4 cockpit lockers (one used as gas storage)
- Line lockers under helm seats for lines from the primary winches
- Liferaft locker under cockpit floor
- Fold down transom platform
- Outboard engine bracket mounted on stern pulpit
- Davits, outboard engine bracket
- Hot and cold cockpit shower
- Cockpit Sprayhood with vinyl windscreen with zip-out and sun protection cover
- Cockpit Bimini with stainless steel bows, retractable with storage cover
- Cockpit sun protection on side and back (new 2017)
- Sun and rain cover on front deck
- Covers for steering wheel and cockpit table
- QUICK windlass control unit with chain counter

Deck Hardware / Extras

- Wood Side Decks (Teak)
- Six mooring cleats
- Mooring kit fenders and dock lines
- Stainless steel bow fitting with second anchor roller and reinforced tack point
- Electric anchor windlass QUICK (12V 1000W 10mm) with handheld remote control
- Stainless steel chain 80m WÄLDNER Cromox-Duplex (2017)
- Main anchor stainless steel 33kg ROCNA (2017)
- Second anchor DELTA 16kg with 10m chain (10mm) and 50m anchor line
- Six stainless steel handrails
- Dinghy Aruba lite 280cm Hypalon tube RIB with a stepped Hull (2018)
- NS-MARINE Outboard Motor 2-stroke 9.8 hp with 12l fuel tank (2018)
